Re: Request for State Fire Marshal Approved Training in Hot Works

Dear Mr. Magoun:

Thank you for your course material submission for hot works safety training received March 3, 2020 through which you will provide online instruction of hot works on the following subject matter:

- Massachusetts Comprehensive Fire Safety Code, 527 CMR: 1.00 Chapter 41, Hot Work Operations;
- 29 CFR 1910.252 Subpart Q-Welding, cutting and brazing;
- NFPA 51B Standard for Fire Prevention During Welding, Cutting, and Other Hot Work;
- NFPA 241, Standard for Safeguarding Construction, Alteration, and Demolition operations;
- ANSI Z49, Safety in Welding, Cutting, and Allied Processes.

Based on a review of your course material submission, this program meets the above minimum material covered by 527 CMR 1.00, chapter 41 entitled Welding, Cutting and Other Hot Work, Section 41.7 and your course material is accepted.

All courses accepted must conform to the provisions of 527 CMR 1.00, Chapter 41 Section 41.7 any changes in your program require pre-approval.

By your submittal, and as a provider, you will be required and hereby agree to provide and maintain the following:

Administrative Services • Division of Fire Safety
Hazardous Materials Response • Massachusetts Firefighting Academy

- A database of all applicants
- A written examination (examinations must be given after completion of the course)
- Certificate of Completion (must be issued to each student upon completion of the course).
 - Wallet form preferred.

Continued course acceptance is subject to the course content and standards being maintained in accordance with materials submitted for evaluation. Course materials should be modified to the changes as each code and standard is updated. You should submit significant modifications to the course material to the Department of Fire Services, Fire Safety Division, at least 60-days prior to those changes being incorporated into your course for approval.

Should you disagree with the conditions set forth in this acceptance letter please reply in writing to the Department of Fire Services, Fire Safety Division otherwise this letter of acceptance shall be considered as prescribed.

Thank you for developing, delivering, and maintaining quality safety education regarding hot works.

Sincerely,

A handwritten signature in black ink, appearing to read "P. Vigneau", with a long horizontal flourish extending to the right.

Paul Vigneau
Director, Fire Safety Division
